CALVAG K2-7

Tablet

(Calcium Citrate 1250mg, Calcitriol 0.25mcg,
Magnesium Sulphate 100mg, Vitamin K2-7 50mcg,
Boron 500mcg, Zinc 20mg)

CALVAG K2-7 is one of the most convenient forms of supplement diet with essential nutrients which supports healthy bone and teeth. It's also use to maximise the calcium absorption

Calcium Citrate Malate – 1250 mg

- Use full in bone loss (Osteoporosis).
- Use in osteomalacia (Rickets).
- Use full in parathyroid gland (hypoparathyroidism).
- Preventing with low blood calcium level.
- Use full in decaying of teeth.

Calcitriol - 0.25 mcg

- Use to treat and prevent low level of calcium and bone disease
- Use to treat calcium deficiency (hypocalcemia)
- Help in formation of Vitamin D3 in kidneys

Magnesium Sulphate - 100 mg

- Maintains low level of magnesium in blood
- Work as anticonvulsant

Vitamin K2-7 – 50 mcg

- Use full in activation of osteocalcin
- Transport the calcium into bone
- Help in keeping calcium out of the arteries
- Use full for blood clotting and bone health

Boron - 500mcg

- Boron is use for building strong bones treating osteoarthritis
- Help in maintain calcium and magnesium level

Zinc Sulphate – 4 mg

- Zinc reduces inflammation and age related disease
- Boosting and regulating the immune system

INDICATIONS

Osteoporosis, Osteomalacia, Hypocalcemia
Decaying of teeth, Blood clotting,
Boosting Immunity

DOSAGES

One Tablet BD or
as advised by
the Physician

CAL

CIFTENTM CV KID

(Amoxycillin 200mg, Potassium Clavulanate 28.5mg, Oral Suspension)

AMOXYCILLIN 200 mg //

Amoxycillin is an antibiotic prevents by the formation of the bacterial protective covering which is essential for the survival of bacteria
It's used in the treatment of bacterial infections

POTASSIUM CLAVULANATE 28.5 mg //

It's a Beta-Lactamase inhibitor which reduces resistance and enhances the activity of amoxycillin against bacteria

INDICATION

- Tonsillitis
- Chest Infections
- Bronchitis
- Viral Infections
- Pneumonia
- Flu infection
- ENT Infection
- Typhoid Fever
- Skin Infection
- Paediatric Fever
- UTI Infection
- H-pylori Infections

DOSAGE

5 ml Twice daily or as advised by Pediatrician

30ml

CIF-K

CIFTENTM-CV 625

Amoxycillin 500mg, Potassium Clavulanate 125mg.

Ciften - CV Trusted Anti-Bacterial for outstanding performance

"The Amoxycillin Clavulanic Acid combination extends the Antibiotic spectrum of Amoxycillin include Bacteria resistant to Amoxycillin and other Beta Lactum Antibiotics"

Amoxycillin 500mg

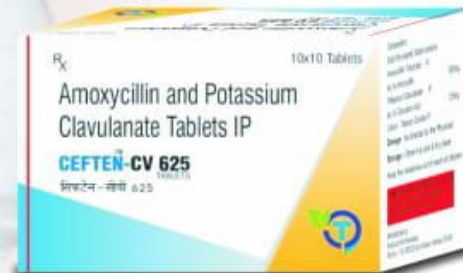

Amoxycillin is an antibiotic prevents by the formation of the bacterial protective covering which is essential for the survival of bacteria. It's used in the treatment of bacterial infections.

Potassium Clavulanate 125mg

It's a Beta-Lactamase inhibitor which reduces resistance and enhances the activity of amoxycillin against bacteria

INDICATION

- Tonsillitis • Bronchitis • Pneumonia
- ENT Infection • Skin Infection • UTI Infection
- Chest Infections • Viral Infections • Flu infection
- Typhoid Fever • Paediatric Fever
- H-pylori Infections

DOSAGE

**1 Tablet BD or
as advised by
the physician**

The right step forward Even before Bacteriological results

CiphemTM SYRUP

≡ It's an Appetite stimulant

Cyproheptadine 2mg

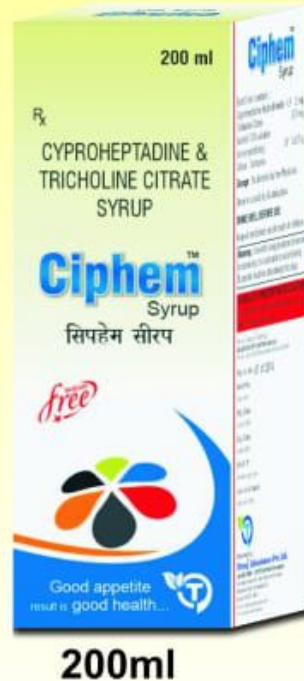

It's an Appetite stimulant works by reducing the effect of the chemical messenger serotonin in hypothalamus.

Tricholine Citrate 275mg

Tricholine Citrate is the bile acid binding agent which removes bile acid from the body, The liver then produces more bile acid using cholesterol as a result of which cholesterol level is lowers

Sorbitol 3.575 mg

It's as a Syrup base and also as an osmotic laxative to relieve constipation

Indication

Use as appetite stimulant
Constipation in adult and children
Improves Appetite, Digestion and Hepatic function
Use in Bile Acid binding agent

DOSAGE

5 to 10ml twice
or as advised by
the physician

COLDONATM PLUS TABLET

Paracetamol 325mg, PE 10mg, CPM 2mg, caffeine 30mg.

Paracetamol 325mg

Paracetamol is an analgesic and anti-pyretic (fever Reducer) drug. It's use for relief of Headache, muscle pain, body ache, backache, toothache, cold and fever.

Phenylephrine HCL - PE 10mg

Its trusted decongestant, removes congestion, eases breathing. Used in relief of stuffy nose, nasal and sinus congestion, common cough and cold, flu, allergies, sinusitis, bronchitis

Chlorpheniramine maleate - CPM 2mg

Time tested and trusted potent anti-histaminic agent, it relieves acute inflammatory and allergic conditions. Used in prevention of rhinitis and urticaria with sedative effects

Caffeine 30mg

It's a CNS (central Nervous System) stimulant drug. Use as mood elevator, increases attention, alertness, decreases fatigue an adjuvant to the analgesic effect of paracetamol.

INDICATIONS

- Dry Irritating cough ▪ Unproductive cough - URTI ▪ Nocturnal cough
- Common cold with fever ▪ Allergic cough ▪ Wheezy cough ▪ Chesty Cough
- Asthmatic cough ▪ Watery eyes ▪ Runny nose ▪ Sneezing ▪ Itchy nose and throat
- Bronchitis ▪ Urticaria ▪ Nasal congestion ▪ Rhinitis

DOSAGE

1 Tablet TDS or as advised by the Physician

Coldona on Cold is gone

COLDONATM

Syrup

Levosalbutamol 1mg

Levosalbutamol is a bronchodilator. It works by relaxing the Muscles in the air ways and widen air ways this makes breathing easier. Levosalbutamol is used to relief symptoms of Asthma and chronic Obstructive Pulmonary disease (COPD) shortness of breath Coughy and chest tightness caused by Lung disease such as Asthma.

Ambroxol 30mg

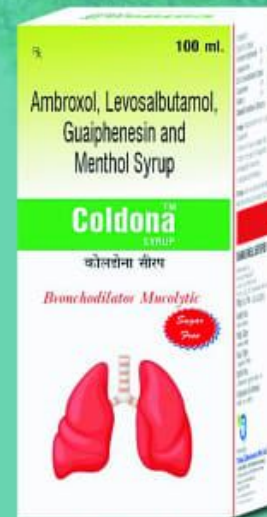

It has surfactant act as an anti-glue factor by reducing the adhesion of mucus to the bronchial wall in improving protection against infection. Use for pain relief in acute sore throat by having anti-inflammatory anaesthetic effect with reducing redness in respiratory tract.

Guaiphenisin 50mg

It is a strong expectorant which thins and loosens mucus. Use full in inflammation of mouth & throat, sinus infections, respiratory infections, sore throat and mouth irritation It has anaesthetic property.

Indications

- COPD – Chronic obstructive pulmonary disease
- RTI – Respiratory tract infections
- Bronchial Asthma
- Dry Irritating cough
- Unproductive cough
- URTI
- Nocturnal cough
- Wheezy cough
- Asthmatic cough
- Bronchitis

100ml

DOSAGE

5 to 10ml twice or as advised by the Physician

COLDONA-KIDTM Syrup

(Paracetamol 125mg, Phenylephrine Hydrochloride 5mg, Chlorpheniramine Maleate 0.5mg, Sodium Citrate 60mg, Menthol 1mg)

Paracetamol 125 mg

Paracetamol is an analgesic and anti-pyretic (fever Reducer) drug. It's also use for relief of Headache, muscle pain, body ache, backache, toothache, cold and fever in kid.

Phenylephrine HCL – (PE) 5 mg

Its trusted decongestant remove congestion eases breathing. Used in relief of stuffy nose, nasal and sinus congestion, common cough and cold, flu, allergies, sinusitis, bronchitis.

Chlorpheniramine maleate - CPM 0.5 mg

Time tested and trusted potent anti-histaminic agent, its relieves acute inflammatory and allergic conditions. Used in prevention of rhinitis and urticaria with sedative effects.

Sodium Citrate 60 mg

Its use in the treatment of respiratory tract disorder associated with viscid mucus. Use in mucolytic medication, thins and loosens mucus in the nose wind pipe and lung making easier to cough out.

Menthol 1 mg

Its use for common cold coughs inflammation of mouth & throat, sinus infections, respiratory infections, sore throat and mouth irritation. It has anaesthetic property.

Indications

- Dry Irritating cough
- Unproductive cough - URTI
- Nocturnal cough
- Common cold with fever
- Allergic cough
- Wheezy cough
- Chesty Cough
- Asthmatic cough
- Watery eyes
- Runny nose
- Sneezing
- Itchy nose and throat
- Bronchitis
- Urticaria
- Nasal congestion
- Rhinitis

Dosage

5ml twice daily or
as advised by
the pediatrician

60ml

Pain specialist in all conditions.

DIREP FORTE

Diclofenac potassium 50mg, Paracetamol 325mg, serratiopeptidase 10mg. **Tablet**

Diclofenac potassium 50mg

It's a NSAID, used in pain relief and inflammation (redness & Swelling). Use in Rheumatoid arthritis, Ankylosing spondylitis (Disc Slip), Osteoarthritis, toothache, pelvic pain, Help in migraine pain, Ear pain, Fever and body pain, stiffness of joints.

Paracetamol 325mg

Paracetamol is an analgesic and anti-pyretic (fever Reducer) drug. It's use for relief of Headache, muscle pain, body ache, backache, toothache, cold and fever.

Serratiopeptidase 10mg

It improves blood circulation at the infected area and prevents swelling and fluid retention with lowering the associated pain. Help in elimination of oedema, pus, haematoma with increasing concentration of antibiotic

INDICATION

- Fever and body ache • Stiffness of joints • Pelvic pain
- Osteoarthritis • Ear pain • Toothache • Oedema • Haematoma
- Analgesic • Anti-pyretic • Post Surgical Pain and Swelling

DOSAGE

1 Tablet TDS or as
advised by the Physician

*Work **Hard** on Pain Topical absorption **for** faster **action***

FemocinTM Syrup

A complete Herbal Uterine Syrup

FEMOCIN contains potent pro-estrogenic agents Ashoka, Arjun and Lodhra which correct hormonal imbalance and improve ovarian functions.

FEMOCIN restores emotional balance by relieving anxiety and tension with its mild tranquilizing agents like Punarnawa, Dhai Phool, Ultkambal, Ajwain, Amaltas, Amla, Harad, Bahera, Aswagandha, Shatawar, Pipli, Sonth, Kali Mirch, Haldi, Abhrak Bhasma, Loh Bhasam Mandur Bhasam etc to improves the endocrinal function and restores hormonal balance. Loh Bhasam, Mandur Bhasam is a haematinic.

INDICATIONS

- Infertility • Uterine Spasms • Irregular periods • PCOS (Polycystic Ovary Syndrome)
- Dysfunctional Uterine Bleeding (DUB)s • After medical termination of pregnancy
- Extreme pain during periods (Dysmenorrhea) • Leucorrhoea (Excessive white discharge from the vagina)
- Supportive therapy along with ART (Assisted Reproductive Techniques)
- Metrorrhagia (characterized by abnormal excessive bleeding)
- Anovulation (condition when there is no ovulation or when ovaries do not produce eggs)
- Oligomenorrhea (a condition characterized by infrequent or very light menstrual periods)

200ml

DOSAGE

1-2 tea spoon full thrice in a day preferably for 3 months, to see the effective results.

FEMO

FERITOM-XT

Syrup

FERROUS ASCORBATE 30 mg

It is synthetic form of iron and vitamin C. Ferrous Ascorbate is raising Haemoglobin and necessary to maintain connective tissue and bone.

FOLIC ACID 550 mcg

It's prevents neural tube defects in foetus during pregnancy. Improves foetal weight, head circumference, brain development and functioning. Helps in the formation and maturation of RBC's.

INDICATIONS

- ♦ Pregnancy and Lactation
- ♦ Iron Deficiency Anaemia
- ♦ Chronic Blood loss
- ♦ Post-surgical blood loss
- ♦ Anaemia associated with infections
- ♦ Dietary insufficiency
- ♦ Use in pregnancy Anaemia – Preeclampsia, Post-Partum Haemorrhage (PPH), IUGR (Intra Uterine Growth retardation), Preterm Birth, Low birth weight

200ml

DOSAGE

5 - 10ml twice a day or as advised by the physician

F-XT

FEVOZOX

**Aceclofenac 50mg, Paracetamol 125mg
Suspension**

Syrup

ACECLOFENAC 50MG

It's a NSAID, used in body pain relief and inflammation (redness & Swelling)

PARACETAMOL 125MG

Paracetamol is an analgesic and anti-pyretic (fever Reducer) drug. It's also use for body ache, toothache, cold and fever in kids.

INDICATION

- › Fever and body ache
- › Toothache
- › Infant colic
- › Gripping pain
- › Analgesic
- › Anti-pyretic

DOSAGE

5 ml Twice daily or as
advised by Pediatrician

60ml

FEV

INSTRAXTM

POWDER

Dextrose, Vitamin-C Sodium chloride, Potassium chloride, Citric acid, Zinc sulphate, Sugar

Instrax is a balanced energy drink which offers instant and sustained energy along with vital salts.

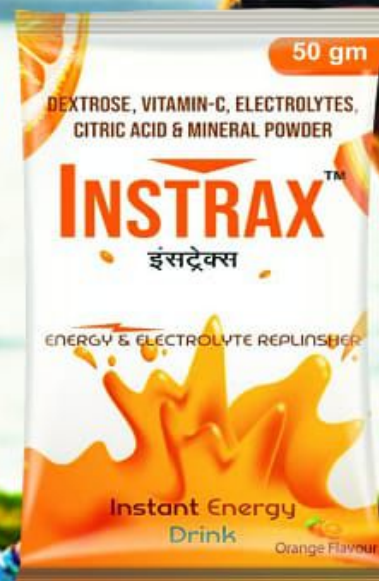

Instrax contains the right balance of carbohydrates 13.50 mg with sugar 10.35 and salts such as sodium 142.50mg, potassium 75mg, magnesium 9mg, calcium 7.50mg and chloride 165mg.

Sodium maintains electrolyte balance and quenches thirst, Potassium prevents muscle cramps, Magnesium maintains muscle and nerve functions, Calcium builds bone strength and Chloride maintains water balance.

Instrax assists in meeting the individuals/ children/ athletes recovery goals by replacing the electrolytes lost in sweat and also refuelling their energy. Individuals engaged in day-to-day activities in the sun, should drink Instrax

1 table spoon of Instrax
tastes best when served
with chilled water.

INX

LIVODEPTM

Potent Hepatoprotective and Hepato Rejuvenator Syrup

SILYMARIN – 110 mg

Silymarin is a unique strong antioxidant protects the liver from damaging toxins and free radicals, It's also promotes to liver for generate new liver cell and healing it prevents hepatotoxic agents from entering hepatocytes.

LECITHIN – 100 mg

Lecithin act by increasing the livers breakdown of the fibrous tissue that causes of life threatening condition of cirrhosis It absorbs thiamine from the liver to repair it damage due to alcohol It has protective effect in proper function of the liver and improves Bioavailability of silymarin.

INDICATIONS

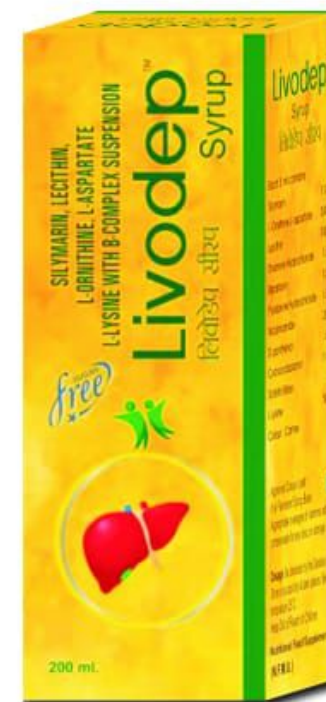

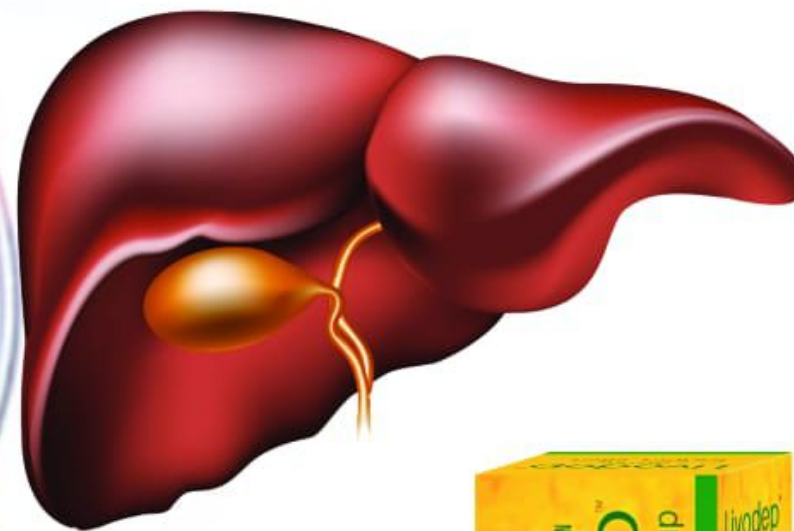

Fatty Liver, Jaundice,
Alcoholic liver diseases,
Infective Hepatitis,
Liver Cirrhosis,
Chronic Active Hepatitis.

B-COMPLEX

Its combination of B Vitamins used to treat or prevent vitamin deficiency due to poor diet, certain illness, Alcoholism, pregnancy, It converts food in to energy by good digestion and healthy appetite.

L- ORNITHINE, L- ASPARTATE (LOLA) - 300 mg

Its amino acid made up of Ornithine and aspartic acid used in treatment of hepatic encephalopathy and wound healing. It's useful in liver cirrhosis and protecting from harmful chemicals cause of fatty liver.

200ml

DOSAGE

5 to 10ml twice daily
or as advised by
the physician

L-SYP

LIVODEPTM-FORTE

(Silymarin 110mg, L-Ornithine, L-Aspartate 300mg,
Lecithin 100mg, L-Lysine 50mg, B Complex)

Tablet

Potent Hepatoprotector and hepatorejuvenator

SILYMARIN – 110 mg

Silymarin is an unique strong antioxidant protects the liver from damaging toxins and free radicals. It's also promotes to liver for generate new liver cell and healing, it prevents hepatotoxic agents from entering hepatocytes.

LECITHIN – 100 mg

Lecithin act by increasing the livers breakdown of the fibrous tissue that causes of life threatening condition of cirrhosis, It absorbs thiamine from the liver to repair it damage due to alcohol It has protective effect in proper function of the liver and improves Bioavailability of silymarin.

L- ORNITHINE, L- ASPARTATE (LOLA)-300 mg

Its amino acid made up of Ornithine and aspartic acid used in treatment of hepatic encephalopathy and wound healing It's useful in liver cirrhosis and protecting from harmful chemicals cause of fatty liver.

L- LYSINE 50 mg

It is an amino acid help full in preventing and treating Cold Sores (Caused by Virus Herpes simplex) It's an anti-viral drug and good for anxiety by blocking stress response receptors Its promote wound healing by helping create collagen also good for immune system.

B-COMPLEX

Its combination of B Vitamins used to treat or prevent vitamin deficiency due to poor diet, certain illness, Alcoholism, pregnancy Its convert's food in to energy by good digestion and healthy appetite.

Indications

- Fatty Liver • Jaundice • Alcoholic liver diseases
- Infective Hepatitis • Liver Cirrhosis
- Chronic Active Hepatitis • Toxic metabolic hepatic damage
- Hepatoprotector and rejuvenator

Dosage

One tablet twice daily
or as advised by Physician.

MEFTOX^{Syrup}

Mefenamic Acid 50mg, Paracetamol 125mg, Oral Suspension

Used for stomach Pain and fever relief in kid

Its combination of two medicine Mefenamic acid and Paracetamol its works by blocking the release of certain chemical messengers that cause fever, pain and inflammation

Mefenamic Acid 50mg

It's a NSAID with demonstrated anti-inflammatory, analgesic and anti-pyretic activity. Mefenamic acid inhibits cyclo-oxygenase enzyme and antagonizes prostaglandin actions.

Paracetamol 125mg

Paracetamol is an analgesic and anti-pyretic (fever Reducer) drug. It's also use for relief of Headache and other minor aches and pains in kid.

INDICATION

Infant colic, Gripping pain, Flatulence Dyspepsia
Regurgitation, Analgesic, Anti-pyretic

60ml

DOSAGE

5 ml Twice daily or as
advised by Pediatrician

MEF

Ofloret -m

Syrup

(Ofloxacin 50mg, Metronidazole 120mg, Simethicone 10mg, Oral Suspension)

Ofloxacin 50 mg

Ofloxacin is a synthetic fluoroquinolone antibacterial agent, Ofloxacin is an antimicrobial agent of broad-spectrum action, Bactericidal, active against both Gram-Positive and Gram-Negative bacteria

Metronidazole 120 mg

It is an anti-Microbial and anti protozoal drug Its use to treat Amoebiasis, Vaginitis, Trichomonas infections, Giardiasis, anaerobic bacteria infection

Simethicone 50 mg

A reliable anti-flatulent, effective antifoaming action, use to relieve Belching, Bloating Also acts as carminative, helps to control gastric reflux condition, gastric distension & discomfort

Dosage

5ml Twice daily or as advised by Pediatrician

60ml

Indications

- Amoebiasis • Anaerobic bacteria infection
- Anti-Biotic Associated colitis
- Amoebic dysentery / Diarrhoea • Giardiasis
- Stomach pain

OFLO

Sign out Pain and Inflammation Sign in Happiness **PANSEK-P**

Aceclofenac 100mg

It's a NSAID, used in pain relief and inflammation (redness & Swelling). Use in Rheumatoid arthritis, Ankylosing spondylitis (Disc Slip), Osteoarthritis, toothache, pelvic pain, Helps in migraine pain, Ear pain, Fever and body pain, stiffness of joints.

Paracetamol 325mg

Paracetamol is an analgesic and anti-pyretic (fever Reducer) drug. It's use for relief of Headache, muscle pain, body ache, backache, toothache, cold and fever.

Indication

- Fever and body ache • Stiffness of joints • Pelvic pain • Osteoarthritis • Ear pain
- Toothache • Oedema • Haematoma • Analgesic • Anti-pyretic

DOSAGE

1 Tablet TDS or as advised by the Physician

RABPET-DSRTM

Rabeprazole 20mg, Domperidone 30mg. Capsule

Quick onset of action thus provide fast relief and reduces gastric acidity insure healing of esophagitis

Rabeprazole 20mg

Rabeprazole is a proton pump inhibitor (PPI) which reduces acid produced in stomach

Domperidone 30mg

Regulates GI peristalsis/Motility. Used as antiemetic for nausea and Vomiting.

INDICATION

- Gastric Acidity • Delayed gastric emptying
- Reflux esophagitis • Dyspepsia • GERD
- Hyperacidity • Gastritis

When **Stomach** is on **fire** advance **action** to tackle **Hyper** Acidic challenges

TRIOFERT-f

Tablet

MYO-INOSITOL (MI) 550 mg & D-CHIRO-INOSITOL – 12.5 mg

It is a vitamin like substance used in polycystic ovarian syndrome – PCOS (helping to mature the eggs) and hormone balance. Important role to support in ovarian health and fertility function. Helps in conditions such as panic disorder, depression. Used in diabetic neuropathy, Depression, Alzheimer's disease. Good in weight management, Blood sugar balance and insulin function normalization and hormone balance.

BERBERINE 277.5 mg

Berberine used for diabetes, high blood pressure and PCOS Useful female infertility and Ovulation rate per cycle.

L-METHYL FOLATE 1 mg

Useful in conception/ pregnancy and low folate level can lead to anaemia Good for formation of RBC's and treat depression, megaloblastic anaemia.

DHA 75 mg

Useful for heart disease, high cholesterol and thinking skills Good for development of nervous system and Fetus and child with physical growth.

MELATONIN 3 mg

Melatonin is a strong antioxidant use for insomnia, anxiety and depression.

VITAMIN E 10 mg

It's very strong antioxidant supports immune system and help cells to regenerate Good for skin hair and eye sight.

GRAPE SEED EXTRACT 4.25 mg

Helps to improve blood circulation and decreases bad cholesterol protect with heart diseases.

Cholecalciferol 1000 I.U

Use to treat and prevent bone disorders such as rickets and osteomalacia.

CHROMIUM PICOLINATE 201.5 mg

Helps to control blood sugar level and protect with depression and PCOS.

INDICATIONS

Important role to support in Ovarian health & Fertility function. Used in polycystic Ovarian syndrome - POCS (Helping to mature the eggs)

DOSAGE

1 tablet BD or as advised by the Gynaecologist

TRI-F

TRIOFERT – M

Tablet

CO-ENZYME Q10 (UBIDECARENONE) 100 mg

Very strong antioxidant reduces stress and improves fertility. Improves sperms concentration density motility (Activity) and counts (Quality) with reduce sperm damage.

L-ARGININE 200 mg

Helps body build protein. Improves male fertility and use full in ED (Erectile Dysfunction). Improves sexual function and mechanism.

L- CARNITINE & L-TARTRATE 333 mg

Its turns into energy. Very useful for weight loss.

ASTAXANTHIN 8 mg

Very useful for Alzheimer's disease, Parkinson's disease, Stroke high Cholesterol and Liver disease. Helps in age related Muscular Degenerations Vision Loss and preventing Cancer.

MACA ROOT EXTRACT 250 mg

Its increases Libido and fertility in man.

LYCOPENE 6000 mcg

Effective in treatment and management of oral leukoplakia. Promising role in idiopathic male infertility. Decreases the risk of prostate cancer. Positive effect in osteoporosis, neurodegenerative disease and hypertension with Cardio Vascular diseases.

ALPHA TOCOFEROL 25 I.U

Helps in boosting immune system Cell damage caused by free radicals.

CITRUS BIOFLAVONOIDS 75 mg

Improves Immune system Strengthen Capillaries and boost Blood Circulation.

SELENIUM 70 mcg

Useful in Hashimoto thyroiditis (Auto Immune Disorder of Thyroid).

VITAMIN E 10 mg

Very strong antioxidant supports immune system and help cells to regenerate. Good for skin hair and eye sight.

ZINC MONOMETHIONINE 16.8 mg

Good for common Cold, Lung Infection, Malaria, Asthma, Wound Healing Ulcers Acne Skin. Infection Age related diseases like Alzheimer's Muscle degeneration

MAGNESIUM 22.5 mg

Useful in heart burn and constipation.

VRUDDHADARU EXTRACT 64 mg

Reduces Anxiety Stress Depression. Has Hypotensive and Hallucination activity.

L-METHYLFOLATE 1 mg

Good for formation of RBC's and treat depression, megaloblastic anaemia.

ADENOSYL TRIPHOSPHATE DISODIUM 20 mg

Provides energy to living cells

PIPPERINE 5 mg

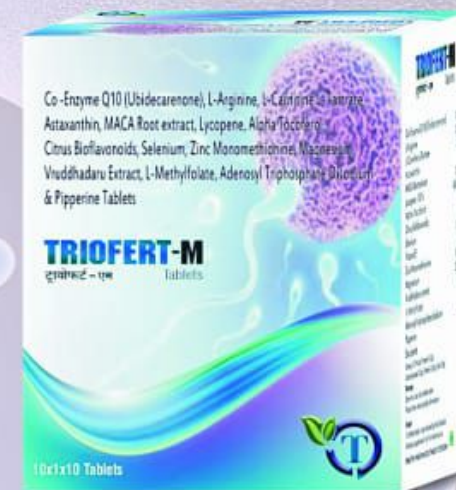

Strong Antioxidant helps in anti-Inflammation Nausea Headache and Poor Digestion.

Indication

- Improves Sperms Concentration, Density.
- Motility & Counts with reduce Sperm damage.
- Improves Male Fertility
- Use full in Erectile Dysfunction.

DOSAGE

One tablet BD
or as advised by
the Physician

TRIOSIL-MPS

(Dried Aluminium Hydroxide 250mg, Magnesium Hydroxide 250mg, Simethicone 50mg Gel) *Suspension*

Get rid over from hyperacidity & flatulence with..

TRIOSIL MPS Gel Soothes & Relaxes Acid Symptoms

*In Heart burn & Dyspepsia.....
when Stomach is on fire.....*

DRIED ALUMINIUM HYDROXIDE 250 mg

Decreases acidic contents of stomach
Controls phosphate level in the blood

MAGNESIUM HYDROXIDE 250 mg

Achieves pH 4.23 in just 90 seconds.
Raises the pH to reduce acidity in
stomach Neutralizes & reduces acid
secretion

ACTIVATED SIMETHICONE 50 mg

A reliable anti-flatulent, effective
antifoaming action, use to relieve
Belching, Bloating Also acts as
carminative, helps to control gastric
reflux condition, gastric distension &
discomfort.

DOSAGE

10ml twice or thrice after
meals or as advised by
the Physician

Indications

- Hyperacidity
- Gastritis
- Oesophagitis
- Heartburn
- Flatulence
- GERD
- Dyspepsia
- Belching
- Bloating
- Peptic Ulcers

200ml

T-MPS

Tri-UTI

(Cranberry Fruit Extract 200mg, D-Mannose 300mg, Potassium- Magnesium Citrate 978mg, Suspension) **Syrup**

Tri UTI is available in the form of syrup. The ingredients of the syrup help to fight against the urinary tract infections. The syrup contains natural extracts and also salts that help to fight this infection. Which is common in women & men

Cranberry Fruit Extract- 200 mg

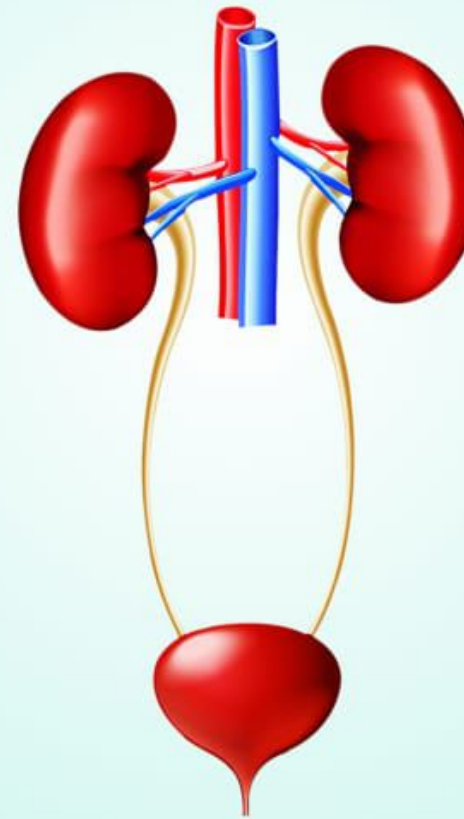

- Its Boosting immunity and maintain blood sugar.
- Useful in bladder Infections and make it stronger.
- Useful in Kidney Stone (Nephrolithiasis).
- Remove the urine odour (Bad Smell in Urine).
- Help to treat in Urinary tract infection (UTI) and cystitis.

D-Mannose- 300 mg

- Effective in treating acute UTI.
- Help the prevent and treat UTI caused by E.coli Bacteria.

Potassium Magnesium Citrate - 978 mg

- Preventing in recurrent calcium oxalate kidney calculi
- Help to make urine less acidic
- Help the kidneys get rid of uric acid
- It's useful to reduces uric acid to prevent Gout and kidney stone

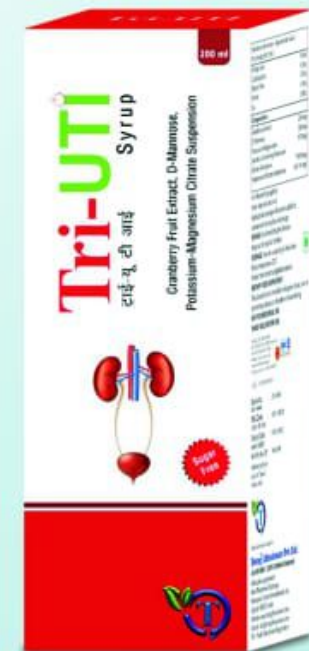

INDICATIONS

- Urinary Tract Infection - UTI
- Burning Micturition
- Frequent Urination
- Urinary Calculi & Cystitis

DOSAGE

10 to 15ml twice or thrice daily or as advised by the Physician

200ml

TRIZEX

Syrup

Strengthens immunity prevents complication and neutralize harmful free radicals with restoring health and vitality

Multi-Vitamin

- › Vitamin-A 2500 I.U.
- › Vitamin-E 5 I.U.
- › Vitamin-C 50mg
- › Vitamin-B1 1.5mg
- › Vitamin-B2 1mg
- › Vitamin-B6 1.5mg
- › Vitamin-B12 10mcg

Multi-Minerals

- › Niacinamide 20mg
- › D-Panthenol 3mg
- › L-Lysine 3mg
- › Zinc Sulphate 3mg
- › Iodine 100mcg
- › Manganese 200mcg
- › Copper 20mcg
- › Folic acid 300mcg
- › Selenium 35mcg

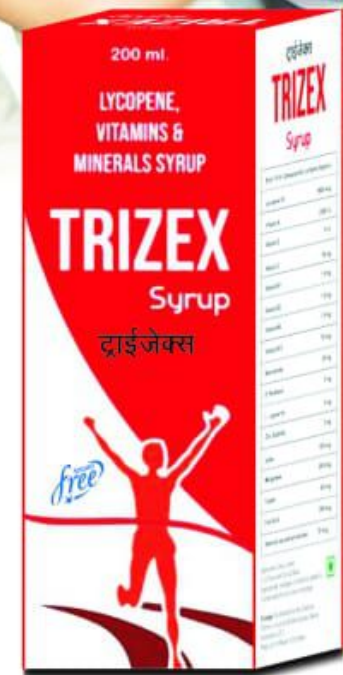

Replenishes vital vitamins with reducing oxidative stress Ensure quick recovery and quality of life

Lycopene 6% - 5000 mcg

Reduces deployment of pre-eclampsia and intra uterine growth retardation (IUGR), Effective in treatment and management of oral leukoplakia Promising role in idiopathic male infertility Decreases the risk of prostate cancer Positive effect in osteoporosis, neurodegenerative disease and hypertension with Cardio Vascular diseases.

INDICATIONS

- Liver and Kidney function
- Nerve function and memory
- Immune system
- Energy production
- Wellness of hair skin and eyes
- Growing phase
- Old age
- Recovery after chronic illness

DOSAGE

5 to 10ml twice daily or as advised by the physician

200ml

VITOSIL

Capsule

Strengthens immunity prevents complication and neutralize harmful free radicals with restoring health and vitality

MULTI-VITAMIN

Vitamin-A 5000 I.U, Vitamin-B1 15mg, Vitamin-B2 5mg, Vitamin-B6 1.5mg.

MULTI-MINERALS

Multi-Minerals - Zinc Sulphate 23mcg, Iodine 100mcg, Copper 100mcg, Folic acid 1.5mg, Selenium 100mcg, Replenishes vital vitamins with reducing oxidative stress Ensure quick recovery and quality of life.

LYCOPENE 6% - 5000 mcg

Reduces deployment of pre-eclampsia and intra uterine growth retardation (IUGR) Effective in treatment and management of oral leukoplakia. Promising role in idiopathic male infertility Decreases the risk of prostate cancer Positive effect in osteoporosis, neurodegenerative disease and hypertension with Cardio Vascular diseases

GREEN TEA EXTRACT 10 mcg

It's a great source of antioxidant good for heart, blood pressure, brain, skin, weight loss, cancer, liver function and metabolic function.

METHYLCOBALAMIN 500mcg

It's a form of Vitamin B12 good for brain, nervous system and production of red blood cells (RBC's), sometime helpful for pernicious anaemia.

GRAPE SEED EXTRACT 2mcg

It's reduce blood pressure and improve blood flow Use as a strong antioxidant to reduce risk of various cancer and heart disease maintaining cholesterol level

OMEGA 3 FATTY ACID 100 mcg

It improves health and reduces risk of cardio Vascular diseases also good for skin and hair

INDICATIONS

- Liver and Kidney function
- Nerve function and memory
- Immune system
- Energy production
- Wellness of hair skin and eyes
- Growing phase
- Old age
- Recovery after chronic illness
